

# Arts Integration

Arts Integration is an **approach** to **teaching**  
in which students construct and demonstrate **understanding**  
through an **art form**.

Students engage in a **creative process**  
which **connects** an art form and another subject area  
and meets **evolving objectives** in both.

-The Kennedy Center, ArtsEdge-

“When art is considered a literacy and is as embedded in the curriculum and in out cultural psyche as the other three Rs, it will become self-perpetuating and unquestioned.”

-Ohler Jason, “Art the Fourth R”

(Arts Integration Solutions, 2011)
